Hi Jackie,

Thanks for giving me credit for speaking with Blvd 86 on the posters, but I think it was the other Erin from 11:11.

It does look like they came out this morning (or late last night) and removed most of the posters, but left some pieces, see the attached pics.

Our clean team can work on getting the remaining pieces off or maybe the Blvd 86 people remove the rest?

Thanks,  
Aaron
